

## In the loop...

The Dexcom members elected at District Conference met for a time of introduction and orientation June 5 at Innisfail Alliance Church. Here are some highlights...

### Introduction

We became acquainted with one another using quick take biographies, and prayed for one another.

### Scripture and Prayer

Brent led a time of devotion and discussion, from Acts 1:21-26, noting observations on the selection of leaders. It was affirmed that leadership selection processes, then and now, are under the sovereign guidance of God. He has brought each Dexcom member to this team for a reason.

### Dexcom Orientation — The Role of Dexcom

Addressed the question, “What is the job of a Dexcom member?” In short, the role of Dexcom is to:

1. Be clear about the Lords message to and mission for our leaders and churches. We do this as a district in broad terms, and come alongside local churches to help them to move to where God is calling them.  
*We are a Christ focused, spirit empowered, mission focused, making disciples who make disciples, growing deeper in experience of the Holy Spirit, bucking the trend of being ashamed of the gospel.*
2. Lead our constituency to experience what God has revealed.
3. Be vigilant for the spiritual vitality, overall health, and welfare of the District flock. We are the elders of the District.
4. Be a steward of the District Superintendent as a resource gift to the church.

### Business

1. Adopted the minutes of District Conference
2. Adopted the minutes of the Annual Meeting of the Society  
**Note** - both these sets of minutes are available from the District Office upon request. Contact [Alexis Tjart](#) should you or your church wish a copy.
3. Reviewed the year to date financial report (first 10 months of the fiscal year).
4. Reviewed evaluation summary of District Conference. Noted there was a very high satisfaction level from surveys returned. Dexcom also discussed areas where improvements will be implemented at the next District Conference. We are delighted at the increase in lay participation, see [here](#).
5. Appointed District sub-committees membership for another two year term.
6. Scott Dixon agreed to serve as Vice Chair of Dexcom.

### Team Covenant

Dexcom affirmed their responsibility by reading together and signing a team Covenant. We look forward to serving you over the next two years.

Your Dexcom,

- **Brent Trask**, District Superintendent, [btrask@transformcma.ca](mailto:btrask@transformcma.ca)
